## Summer Skill Sessions Information and Registration

These are high-repetition skill sessions. Beginners and advanced players are welcome. The skill sessions are for Boys and Girls. The sessions will be divided into skill levels. These sessions are for the players who really want to work hard and improve their volleyball skills. Pre-registration is definitely recommended for each session. Each session is \$20. Maximum participants per class are 16 players. You can register online at [www.courts4sports.com](http://www.courts4sports.com). We will take walk-ins only if the session is not full. You can check our website to see the status of each class. If the website does not say the session is full, then we will accept walk-ins. If there are more than 10 participants in the class there will be a head trainer and an assistant per session.
